RAPTOR
Hungarian Premium Honey Innovations

Unique honey-based food concepts for international markets

ABOUT RAPTOR

RAPTOR is a Hungarian premium food innovation brand specializing in unique honey-based products, combining traditional Hungarian honey culture with modern flavour development and botanical concepts.

We create distinctive products designed for premium retail, gourmet markets, hospitality, and international food partnerships.

Our mission is to transform natural honey into innovative, memorable food experiences.

OUR PRODUCT INNOVATIONS

1. RAPTOR Functional Honey Collection

Premium honey products enriched with carefully selected botanical extracts and natural ingredients.

Concept:
- Traditional honey
- Botanical innovation
- Premium wellness-oriented positioning

Applications:
- Premium food retail
- Gourmet shops
- Functional food markets
- International specialty products

2. RAPTOR Gourmet Honey Collection

Unique flavour combinations creating a new honey experience.

Examples:
- Coffee infused honey
- Whisky inspired honey creations
- Fruit infused honey varieties
- Special seasonal editions

Designed for:
- Premium consumers

- Gift markets
- Coffee culture
- Gastronomy

3. RAPTOR Chili Collection

A distinctive Hungarian spicy food line combining sweetness, heat, and unique flavour profiles.

Applications:
- BBQ market
- Gourmet sauces
- Gastronomy
- Specialty retail

WHY RAPTOR?

- Unique product concepts
- Developed Hungarian recipes
- Premium positioning
- Natural ingredient focus
- Strong storytelling potential
- Suitable for international markets

We do not simply produce honey products — we develop new categories and flavour experiences.

PARTNERSHIP OPPORTUNITIES

Manufacturing cooperation:
Partners interested in scaling production and bringing our concepts to larger markets.

Private label opportunities:
Selected products available for cooperation with retail and food brands.

Distribution partnerships:
Companies interested in introducing innovative Hungarian premium food products.

OUR VISION

To introduce Hungarian honey innovation to international consumers through strong partnerships, scalable production, and premium food concepts.
